

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2019 federal and requested state income tax returns from information that you will furnish us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. We will furnish you with questionnaires and/or worksheets to guide you in gathering the necessary information. Your use of such forms will assist in keeping pertinent information from being overlooked. You will be subject to a \$75 reprocessing fee for client changes made after our preparation of your return. We have not been engaged to prepare payroll, excise, sales & use, Oregon lodging, property or other tax reports unless specifically requested by you. You may note additional returns requested just below your signature at the end of the returned copy of this letter.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

If you have income from a foreign country, we will use the foreign country income information which you provide to calculate any applicable U.S. federal or state foreign tax credit or other affected federal or state income tax items. However, you are responsible for meeting any foreign country income tax or other foreign country reporting requirements. If you have any amount invested in a foreign country, we need to know about it.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

We will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

We delight and understand it as our responsibility to provide you with financial and tax advice. We are available throughout the year for tax planning, consultation, and other financial services, such as retirement planning, investment advisory, or accounting services. Your signature below also authorizes us to use the tax return information you have provided to us to contact you regarding financial services or investment opportunities available so you may make sound and informed choices to enhance your financial future.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us. Your returns may be selected for review by the taxing authorities. If you receive a letter from the IRS or state, please treat it as an audit, open or bring it to us **immediately**, and let us review it before you respond. We are available to represent you during the initial response as well as the audit and appeal process. Fees for these services are not included in the fees for your tax return preparation. If we are required to respond to a subpoena or provide litigation support involving you or your business now or in the future, you agree to compensate us at our standard hourly rates for such required work.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our office.

We want to express our appreciation for this opportunity to work with you.

Sincerely

Strada Financial Group

YOU MAY NEED OUR HELP WITH THE FOLLOWING:

1099 FORMS (*If your business paid for services*)
DUE DATE – JANUARY 31ST

Did you pay any individual or unincorporated business such as an LLC a total of \$600 or more for services or rent in connection with your business during the year?

Did you pay \$600 or more to an attorney or law firm (even if the law firm is a corporation in connection with your business)?

Information returns are required for these payments (Form 1099-MISC) *IF* you paid by cash or check. If you paid by credit card, a payment card, or via a “third party network” such as PayPal, you do not need to file 1099-MISC, as the credit card company or third party network will be filing 1099-K instead.

We can also prepare and electronically file 1099-DIV, 1099-R and other forms 1099 for you.

Oregon requires electronic filling of 1099 forms (1099-MISC, 1099-R, 1099-G) but not 1099-DIV or 1099-INT.

If you would like us to prepare these forms, please provide the following **as soon as possible**:

1. Name of each service provider you paid (Include personal and business name if using their social security number)
2. Address of each service provider (if new to us or changed)
3. Federal ID number or social security number of each service provider (if new to us or changed)
4. Total amount paid to each provider for the calendar year
5. The type of distribution/payment i.e. non-employee compensation or rent

Typical cost for us to prepare: \$40 plus \$15 for each additional 1099 requested at that time.

PERSONAL PROPERTY TAX RETURNS (*If you own business equipment*)
DUE DATE – MARCH 15TH (Oregon Counties – no extension)
APRIL 30TH (Washington State Counties – no extension)

If you have a business or rental property, each county requires a business personal property tax return to be filed. The report lists the business equipment, such as computers or tools located in the county as of January 1st of each year. Licensed vehicles are not included. Equipment under your “capitalization limit” should be included.

If you would like our office to prepare your personal property tax return, please provide the following **as soon as possible**:

1. The preprinted personal property tax return if mailed to you by the county **including the asset list provided**.
2. An update of any personal property purchased or sold during the year, so we can update your property listing. If the county enclosed a list of the assets previously reported, please review this list and not any assets that may have been sold or scrapped.
3. Preliminary accounting information for the year. (It does not have to be “tax-ready” for this purpose.)

Typical cost for us to prepare: \$50-100

For both of the above, please send via ShareSafe, fax, mail or drop off at our office:

Electronic Filing

Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically. If you prefer not to electronically file your return, please refer to and sign the opt-out statement below. Because some states have official opt-out forms, additional signatures may be necessary before your return can be filed.

Opt-Out Statement:

Strada Financial Group

_____ has informed me (us) that my (our) 2019 Individual Income Tax return may be required to be electronically filed if the firm files the return on my (our) behalf. I (We) understand that electronic filing may provide a number of benefits to taxpayers, including an acknowledgment that the IRS received the return, a reduced chance of errors in processing, and faster refunds. I (we) do not want to file my (our) return electronically and will personally file the paper return. My (our) preparer will not file or otherwise mail or submit my (our) paper return to the IRS.

Taxpayer signature: _____ Date: _____

Spouse signature: _____ Date: _____

The IRS requires the use of a 5-digit self-selected Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.
